

COLONIAL ACRES PHASE V, Inc.

Front Entrance Door Replacement Request

Member/Occupants wishing to change their front door must adhere to the following requirements:

The replacement door must be an Exterior Door and may be wood, fiberglass or metal.

- The existing opening may not be altered.

The color must be as follows:

Colors can be obtained from the site office

- Vinyl buildings may install tan, cream or white.
Dead bolt locks may be installed on the front door. The Member/Occupant must leave a spare key with a third party and notify the Property Management Office about said person.
A picture of the proposed new door must be submitted with the approval form.

Colonial Acres Phase V, Inc. has given its conditional approval for ***front door replacement***. This approval is contingent on the fact that all the above requirements will be fulfilled.
